May 30	21,029	2,412	6,203

Stock market is getting a little long in the tooth, we may get a sell...record low interest rates and sky-rocking housing prices are leading to a surge in second home loans. Homeowners gained \$570 billion in value in 2016, and buyers (with at least 20 percent equity) is now 39 million, highest since 2006. Contractors celebrate!

Meanwhile:
